

Tara Winds Scholarship Fund 2023

The Tara Winds Scholarship Fund was established in 1993 to share the love of music by providing funds to further music education. Since its inception, over \$132,000 has been awarded to middle and high school band students to attend summer music camps and colleges across the nation.

Scholarships are awarded to students grades 7-12, middle and high school students as well as graduating seniors pursuing higher education in instrumental music. Recipients are chosen through an application process. Scholarships are recognized and awarded at the Tara Winds Spring Concert.

The Tara Winds Scholarship Fund is funded solely by donors. We are very fortunate to live in a state where Music Education is alive and well. This is our way of giving back to some of the most talented and dedicated students throughout the state of Georgia. We have several levels of sponsorship:

Virtuoso (\$1,000 or more)
Conductor's Circle (\$500-\$999)
Benefactor (\$250-\$499)
Patron (\$100-\$249)
Guarantor (\$25-\$99)

One full scholarship is up to \$500 for students Grades 7-11 and \$2000 for College Music Majors. There are two ways to donate:
